...print and scribble away!

What is the THEME?

Colours

How does it fit in to previous or future sessions?

Extension of 'run and find' where children struggled to find colours

Objectives

- Complete a colour scavenger hunt
- complete a ~~twig~~ hunt twig

How will you differentiate these activities?

- colour hunt sheets to help children picture what they're looking for

What sequence could your activities follow?

Activity 1

Give out the 'colour hunt' sheets and support children in looking for more difficult colours

Activity 2

Can children collect everything that is a colour? How many are there? Teamwork

Activity 3

Give out 'twig hunt' sheets and work together to find twigs

Activity 4

Can we make pictures on the ground using our found materials?

Health and safety issues?

Be mindful of nettles (green) and anything spiky

What tools or equipment will you need?

- Scavenger sheets
- General FS kit

Opportunity for reflection?

Drawing what we found back at nursery
